PETITION FOR RULEMAKING

To the Chief, Allocations Branch:

Daniel R. Feely ("Petitioner") respectfully requests the Commission initiate a rulemaking proceeding for the purpose of considering amending Section 73.202(b) of the Commission's rules. In support whereof the following is stated:

2. Petitioner proposes the Commission allot FM channel 287A to Cambria, California as its third commercial FM service. This would require amending Section 73.202(b) of the Commission's rules as follows:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Cambria, CA	235B1, 278A	235B1, 278A, 287A

3. Cambria is a Census Designated Place located in central California. It is located in San Luis Obispo County. In 2000, the United States Census Bureau estimated that Cambria had a population of 6232 persons.

4. FM channel 287A can be assigned to Cambria in full compliance with the Commission's minimum distance separation requirements without a site restriction. This is illustrated in the attached spacing study. Coordinates used are N 35:33:14, W 121:05:15 and are those listed in the National Atlas for Cambria, CA.

5. Petitioner, or an entity with which he is affiliated, intends to apply for a construction permit to activate channel 287A if it is assigned to Cambria as proposed. If his application is granted, he shall promptly construct and operate the proposed station.

6. Petitioner hereby verifies and affirms that the statements given in this petition for rulemaking are his, and are accurate to the best of his knowledge.

Respectfully submitted,

Daniel R. Feely
